• Good morning and Happy 4th of July! We have been working to consolidate our regular monthly newsletter into a more readable and concise document so here is our first “one page edition” for our HBA News! Remember that as you have news to include send me your “clips” to add.

Mission Judea Week is here again starting this Saturday night with an opening rally at Hills Crossing at 6pm. Come out and join us to celebrate and dedicate the week to what the Lord will do again!

Our own Women's Ministry (led by Sue Smith and team) are busy planning a Prayer Walking event to link up our local churches with a local school. They have a prayer walk scheduled for August 5th. You will be hearing from them soon about this.

Thanks to Sue Smith (Women's Ministry) and with help from Mt. Carmel Baptist our Association now has a Breeze Account. You will be receiving more info about this in the future but this will allow us to communicate and publicize more effectively. Thanks Sue!

The Executive Committee time is almost here again with the next meeting happening on August 11th over at Mt. Airy Baptist Church. The Administration Team will be meeting at 6pm with the Ex Comm to follow at 7pm. Please send your church reps to attend this meeting!

Most of our churches in the area now have pastors on the scene. Our own Welcome Home Baptist is still looking for a pastor with the retirement of Raymond Payne. We are grateful the Lord has fulfilled the needs of the rest of our local congregations!

Our Annual Meeting has moved its date to October 12th! We will be meeting at Clarkesville Baptist for this event and will again host a Missions/Ministry Fair at 5pm with Supper at 6pm and Annual Meeting Session at 7! It's going to be a great celebration!

Finally keep our Associational churches in your prayers as a large team of missionaries head off to Lima, Peru again to share the gospel and to strengthen Peruvian churches! We are grateful to Rev Keith Ivey and his GBMB team for making this happen! This will happen on September 24 thru October 1st!

Thanks and Have A Great Summer! See you next month!
